

Fly Aeolus is looking for independent sales agents in the UK & Germany!

Fly Aeolus delivers in-time, safe and reliable private flights with a private aircraft and pilot, at the lowest price in the market. Fly Aeolus has its main office at Antwerp Airport, Belgium and a secondary office in Rotterdam, the Netherlands. Fly Aeolus establishes its customers' flights through the set-up of a digital fractional ownership program offering flexible, time-efficient and affordable private flight travel in North West Europe.

Due to the growing demand we are looking for an independent sales agent in the UK and an independent sales agent in Germany. As a sales agent you will be responsible for Fly Aeolus private flights sales in the UK or German market respectively. Analyzing the market for private air services, you will acquire new customers on a daily basis. You will identify the opportunities in the particular country, furthermore you will also manage the countries sales orders. Of course you are good at maintaining relationships with (existing) customers in your area. All your activities will be supported by a professional team based in Belgium.

Preferred skills:

- Excellent communication skills;
- Excellent commercial selling skills;
- Sense of responsibility and timely;
- Independent and customer friendly;
- Able to make sound and timely decisions;
- Knowledge of the private flight market.

Do you want to be part a of young, dynamic and innovative team who doesn't work from a constraint perspective and thinks outside of the box? Does this description fit, please apply.
